For Immediate Release

Symbol Training Institute Joins the M-List

School offers training programs in machining and manufacturing technology.

Washington, DC, November 19, 2014: The Manufacturing Institute is pleased to recognize Symbol Training Institute as the newest member of the M-List. Located in Stokie, Illinois, Symbol Training Institute is acknowledged for their outstanding machining and manufacturing technology courses. Enrolled students will be eligible to receive certifications from the National Institute of Metalworking Skills and the Manufacturing Skills Standard Council.

The M-List recognizes high schools, community colleges, and universities that are teaching manufacturing students to industry standards. Specifically, these institutions offer students the opportunity to earn NAM-Endorsed Manufacturing Skills Certifications as a standard part of their manufacturing education programs.

Companies and schools interested in joining this effort or learning more can visit
