Miami Dade College Joins the M-List

School offers for-credit program options in Lean and Advanced Manufacturing

Washington, DC, May 27, 2014 The Manufacturing Institute is pleased to recognize Miami Dade College as the newest member of the M-List. Located in Miami, Florida, Miami Dade College is acknowledged for their lean and advanced manufacturing programs. Enrolled students will be eligible to receive dual certifications from the Society of Manufacturing Engineers and the American Society for Quality, as well as receive college credit.

The M-List recognizes high schools, community colleges, and universities that are teaching manufacturing students to industry standards. Specifically, these institutions offer students the opportunity to earn NAM-Endorsed Manufacturing Skills Certifications as a standard part of their manufacturing education programs.
