

## PRESS RELEASE

*For Immediate Release*

### **Hennepin Technical College Joins the M-List**

*School offers for-credit program options in machining, automation robotics, mechatronics, and fluid power.*

**Washington, DC, May 13, 2014:** The Manufacturing Institute is pleased to recognize Hennepin Technical College as the newest member of the M-List. Located in Brooklyn Park, Minnesota, Hennepin Technical College is acknowledged for their outstanding welding and machining courses. Enrolled students will be eligible to receive certifications from National Institute of Metalworking Skills, the American Society for Quality, the Packaging Machinery Manufacturers Institute and the Fluid Power Society as well as receive college credit.

The M-List recognizes high schools, community colleges, and universities that are teaching manufacturing students to industry standards. Specifically, these institutions offer students the opportunity to earn NAM-Endorsed Manufacturing Skills Certifications as a standard part of their manufacturing education programs.

Companies and schools interested in joining this effort or learning more can visit
